

## **VISA Account Updater OPT OUT**

**VISA Account Updater (VAU)** is an account updating service in which your Nascoga Federal Credit Union VISA Debit and/or VISA Credit card is automatically enrolled in this service. When your card(s) expire, are lost or stolen, and new cards are issued, the VAU service may update relevant card data (card numbers and expiration dates) to appropriate merchants who participate in VAU. This service provides updates to a VISA database only. The database is accessed by those qualified merchants seeking your account information after you have requested they process a recurring payment or payments. This convenience service is provided as a free benefit to you to help facilitate uninterrupted processing of your recurring payments, such as, gym memberships, insurance premiums, Netflix, utility bills, etc.

If you wish to OPT OUT of the VAU service, please visit one of our branches to complete and sign the OPT OUT form.
